Illinois Sheriffs' Association Scholarship Program Guidelines

The Illinois Sheriffs' Association plans to award over 100 scholarships of a minimum \$500 during the 2026-2027 academic year. This effort is a meaningful expression of the Association's confidence in, and respect for, education and training.

The Association's goal is to aid worthy students in furthering their education and training with resources made available through the Associate Membership Program of the Illinois Sheriffs' Association. Illinois Sheriffs considers this scholarship program to be an investment in the future which will provide for better communications with the residents of the communities served.

The sum of \$ 58,000.00 has been allocated from the 2026 budget to carry on the program for the 2026-2027 academic year. The scholarship will be awarded statewide with distribution based on the number of Associate Members in participating counties. One scholarship will be provided for each county with an Associate membership (1-500 members). One additional scholarship will be awarded per every 500 Associate Members in the county. Scholarships will only be awarded in counties where the Sheriff has authorized the Associate Membership Program.

Scholarship funds are intended to assist students with the cost of tuition, fees, and books only. No funds can be used for housing or any other expenses incurred. If a lesser amount (less than \$500) covers all tuition, books and fees required of the student chosen, that lesser amount will be awarded.

The scholarship funds will be paid directly to the school on behalf of the recipient with the instructions that 1/2 is to be credited to the fall semester and 1/2 to the spring semester. However, books must be purchased from the learning institution's campus bookstore and directly billed through the institution's bursar's office.

Funds cannot be used for summer courses and must be used during the regular 2026-2027 school year. The recipient must instruct the college they are attending to notify the Illinois Sheriffs' Association (ISA) office in writing regarding their full-time enrollment status before any scholarship funds will be disbursed. The ISA office must receive this written confirmation
